Dated: 25/9/2008

MEMORANDUM

Subject: Approval of J.K. Wall Putty manufactured by M/s J.K.White Cement Works.

Approval of J.K. Wall Putty manufactured by M/s J.K.White Cement Works is accorded for two years from the date of issue of this memorandum for use on trial basis in CPWD works. The approval will automatically lapse at the end of this period or on obtaining B.I.S. certificate by the producer/manufacturer, whichever is earlier.

The quality and performance standards of the product shall be watched and proper data on its use and regular observation on its performance has to be maintained and communicated to the Superintending Engineer, TAS, CPWD, A- 418, Nirman Bhawan, New Delhi on enclosed proforma for evaluation of the product. Performance report shall be submitted within two year of using the product.

The firm shall ensure testing of product at regular intervals as specified failing which this approval shall be withdrawn.

Further, continuation of the product's approval will be decided thereafter, on basis of mandatory feed back /performance report submitted by Superintending Engineers. In case any one using the product, notices any defect/ discrepancy, the same shall be reported immediately without waiting for the expiry of the initial period of validity.

The approval given above does not absolve the executive/supervisory officers from their overall responsibility for using this product. It is only after they are satisfied about the quality, rate and performance; the product shall be used. To achieve this, proper check on the quality of the product actually to be used should be exercised.

This issues with approval of DG (W) CPWD, New Delhi.

Encl: Proforma for performance report.

Superintending Engineer (TAS)
