OFFICE MEMORANDUM

Sub: Complaints received regarding non-participation of approved make furniture manufacturer Herman Miller.

This office has received complaints from sources that "in various tenders floated by CPWD for various types of modular furniture works, as part of 3 approved makes, the name of M/s Herman Miller is always included in the tender documents. However, this company M/s Herman Miller either directly or through its dealer never participated in any tender. In spite of this company not participating in any tender, this company's name is continued to be included in the list of 3 approved makes which is restricting competition".

To examine this matter in detail, all SDGs are requested to collect the **details of Tender during the Year 2015-16, 2016-17 and 2017-18 upto 30.06.2017** from Division offices under their jurisdiction in the following Performa, get it compiled and forward to this office so as to reach **latest by 31.07.2017**: -
