*Dear Sharmaji*

I take this opportunity to inform you that in the Financial Year 2017-18 the Budget allotted during the release of Supplementary Demand of Grants on 30<sup>th</sup> March 2017 for Rs 50 Crores for "CAPFIMS" at a belated stage resulted in utilisation of funds within the closure of Financial Year.

2. It was a matter of great concern for CAPFIMS to optimally utilise the funds within the limited time frame. The time taken to approve the funds for release, issue of LOA to CPWD and the various stages through which the funds required to be passed from PAD BSF, PAO and Controller of Accounts (MoUD) before it could placed at the disposal of CPWD required meticulous planning in such a short span of time was a commendable task, resultantly the funds were utilised completely and there was no surrendering of allotted funds.

3. It gives me immense satisfaction for undertaking this task by you, the efforts and sincerity shown by you, proves beyond doubt that despite the constraints the organisational requirements remained your priority all through to meet the targets.

4. I place on record my sincere appreciation for this commendable task and expecting of the same in the posterity, to work in a mission mode to accomplish the goals.

*with best wishes*

Yours

*Sincerely*  
*Arun Kumar*
