

PRESS BRIEF

Launch of new home webpage of CPWD, official Facebook page of CPWD and twitter handle of CPWD, release of Schedule of Rates 2018 for new and innovative technologies and QR code for new project using new technology.

To increase transparency in functioning and dissemination of the major activities, achievements and events of the CPWD to Public at large and also to get their feedbacks, CPWD has decided to open official facebook page and twitter handle of the Department on CPWD website.

2. To encourage use of new, clean and green technologies in construction, the Ministry had mandated CPWD for adoption of eight new and innovative technologies in its works. These technologies are being used in CPWD and found to be fast and eco-friendly. The need was felt to further popularize these new systems in the construction sector and to facilitate the same, CPWD has brought out Schedule of Rates- 2018 for these new technologies.

3.
