04/11/2019**

There was discussion regarding obtaining extension of validity of tenders and its subsequent communication to other/ higher offices in the TC held on 04.11.2019.

As the tenders are called by Executive Engineers in most of cases, the responsibility regarding obtaining validity of tender shall be of Executive Engineer and a close watch shall be kept by him at every stage of tender regarding expiry of validity period. Tender inviting authority has to act judiciously so that tender award is not hampered due to non availability of validity of tender. Tender inviting authority should not wait for any directions. He has to act on his own to get the validity of tender extended if required.

This issues with the approval of DG, CPWD.
