

**Note No. #1**

**Subject: Systematic improvement - PQ Criteria for experience** (05/2020)

Central Vigilance Commission has issued instructions certain guidelines in fixing the pre-qualification criteria vide their letter No. 12-02-1-CTE6 dated 17.12.2002 (**CP- 1 to 4 / EP-1**). Para 5 (A) (ii) of these instructions is being reproduced hereunder:

***"Experience of having successfully completed similar works during last seven years ending last day of month previous to the one in which applications are invited".***

In above respect the instructions contained in Annexure 24 (SOP No. 4/9) (**EP-5**) is as below:

***"Experience of having successfully completed works during the last seven years ending previous day of last date of submission of tender".***

It may be noted that the date of completion for eligible work, stipulated in SOP is at variance from the instructions issued by CVC. In the system being followed in CPWD, there may be an issue, in case date of tender opening is extended due to some reason. As in such an eventuality, some bidder, who may otherwise be ineligible on the date as per the provisions of CVC, may become eligible with such extension becoming a cause for complaint by the other competitors.

In view of above, the rational for not following the CVC instructions need to be examined urgently by the CSQ Unit for issue of necessary amendment / change for systematic improvement.

The case is put up for approval of DG, CPWD for onward submission to ADG (Tech).
