Happy Deepawali

Message from

Director General, CPWD

Dear Colleagues,

We are on the mission mode to discharge the onerous task of uplifting the performance of the department and improving its acceptability and image in a very swift pace. We all know that due to collective efforts of all of us, the department has got a spurt in its life and it is on the steady path of progress and growth.

New works are pouring in, even we have lost of count of the same. The biggest challenge lies in undertaking these works in a most professional and time bound manner. To accomplish the same, we will have to demonstrate exemplary leadership quality, courage and determination to ensure successful execution of these works. Clients are reposing faith on us, it is our turn to win their trust and deliver the works to their satisfaction.

Many significant steps have already been taken by the Department in the recent past for improving the efficiency, effectiveness and image of the Department. Intense efforts are being made to implement ERP in CPWD at the earliest so as to radically transform its functioning with improved transparency, accountability, productivity and efficiency.

For achieving excellence in the functioning of the Department, we have decided to invite Suggestions/Ideas/Proposals/Innovations from everyone in the Department. Suggestions so received shall be considered with utmost diligence and seriousness and shall be implemented to further improve our functioning. Officers/Staff whose proposals are accepted for implementation shall be suitably rewarded.

It has been my refrain that we must dream big, nourished by our passion, commitment and hard work. As a collective, cohesive and well knitted Team CPWD, we can achieve any heights. Let us give our best to build a strong and vibrant organization and continuously reinvent ourselves to continue the growth of the Department and to face the challenges of the future.

I would like to reproduce one of the phrase of the Hon'ble Prime Minister, which he mentioned in his recent letter to us.

'Let us rededicate ourselves with dedication and commitment to help fulfill the hopes and aspirations of a billion plus people and realize our vision of a New India.'

Deepawali, the festival of lights is just after few days. On this auspicious occasion, I convey my warm greetings and best wishes to each and every member of CPWD family. May the festival of lights usher in progress, prosperity and happiness and enthuse us with new spirit and energy to pursue our set goals.

PRABHAKAR SINGH

Dear Sir,

The reconstruction of the 115 year old Gorton Castle Building being undertaken by CPWD is a herculean task involving preservation of heritage aspects as well as introduction of modern facilities. Further the management and improvement of other CPWD estates in Shimla is also a challenging task. I would like to place on record my sincerest appreciation for your officials Shri Devender Prakash, Superintending Engineer, Shri Sanjay Jain, Executive Engineer, Shri Purnesh Kumar, Executive Engineer, Shri Durgesh Kumar, Asstt. Executive Engineer, Shri Bansh Raj, Asstt. Executive Engineer, Shri Abhishek Kumar, Junior Engineer and Shri Anupam Tyagi, Junior Engineer, who have demonstrated commitment, professionalism, hard work and initiative in the course of their duties and shown responsiveness to the inputs of my office.

I also take this opportunity to appreciate your leadership under which CPWD is scaling greater heights. I am sure that all CPWD officials at Shimla shall continue to work towards the reconstruction and betterment of our estates.

Yours sincerely,
 (I.D.S. Dhariwal)
