AKAM : 168 Years of dedicated service to the Nation

From the Desk of Director General, CPWD

Dear Colleagues,

From a modest beginning in 1854, we as a department have come a long way, evolving into the largest as well as oldest Central Government Construction Organization rendering yeoman service in every field of infrastructural development. In this present era of rapid change, expansion and emerging technologies, we also need to continuously reinvent, adapt and evolve ourselves by use of innovative approaches so as to remain relevant and increase the visibility of our great department in the professional arena by commanding leadership role. With increased competition, CPWD must gear itself to improve efficiency in the delivery of service by avoiding delays and cost overruns. In recent years, many significant steps have already been taken by the Department for improving the efficiency, effectiveness and image of the Department. However, impetus has to be also placed on a transparent governance system in the department in a way that stakeholders/ clients can be engaged and involved throughout the process of planning to execution and delivery/ completion of the project. Efforts are therefore being made through ERP implementation in CPWD to integrate all CPWD stakeholders into a seamless environment for improving the efficiency of the department and reducing possibility of time and cost over-run of projects and improving client satisfaction. The implementation of ERP in CPWD will be an important step in realizing our Hon'ble Prime Minister's dream of a digital India and has the potential of serving as a lighthouse ERP Project for the entire Public Works ecosystem of the country.

Significant milestones achieved in recent past by CPWD are : Inauguration of permanent campus of IIT at Dharwad; Karnataka, Tripti Bhojanalaya for Shri Mata Vaishno Devi Shrine Board (SMVDSB) at Jammu & Kashmir; New Office Building for Directorate of ESIC Health Care at Panchkula, Haryana; Auditorium in Admin Block for NIT Puducherry at Karaikal; High Voltage Test Facility Centre for National Test House (NTH) at Chennai and office building for Export Credit Guarantee Corporation (ECGC) at Mumbai. Foundation stones were also laid for the construction of Residential Quarters and Main Gate for ICAR-National Institute of Biotic Stress Management (NIBSM) at Baronda, Raipur; Kendriya Vidyalaya at Bundi, Rajasthan and Jourian, Jammu; 43 Nos. Residential Quarters for Customs Department at Jamnagar, Gujarat; hostel building for National Skill Training Institute (NSTI) at Haldwani, Uttarakhand; office building for NGT at Bhopal; Indian White Shrimp breeding and Improvement Facility Centre for Central Institute of Brackish water Aquaculture (CIBA) at Santhome, Chennai and Bhumi Pujan was performed for the construction of Kendriya Vidyalaya at ITBP campus, Madurai. An MoU was also signed between Principal Controller of Communication Accounts Telangana and CPWD for renovation and upgradation of Sanchar Lekha Bhawan at Hyderabad. I congratulate all CPWD officers associated with these projects and events.

With our combined efforts for achieving professional excellence, greater transparency and high ethical standards, today, CPWD is being recognized all around for delivering quality work with reliability. Let us continue to work hard towards further consolidating our position in this direction among all the construction agencies involved with Public works in the country.

Thank you,

(Shailendra Sharma)

22 February 2023

Dear Shri Sharma,

During the Second National Chief Secretaries Conference held from 5-7 January 2023, the exemplary work done by CPWD in carrying out the upgradation and renovation work of International Guest House at NASC complex Pusa, New Delhi under the leadership of Shri P.B. Singh, Additional Director General (Delhi), Shri Saurobh Kumar, Superintending Engineer, Delhi Circle-7, Shri B.L. Meena (EE Civil) and Shri R.N. Singh (EE Electrical) is appreciated. In fact, the entire CPWD team worked efficiently for a challenging task to bring this guest house to new standards and was able to handle unforeseen challenges that came up during the preparations.

I would also appreciate Senior Architect Ar. Vijay Prakash Rao and his team for excellent Architectural inputs to bring this guest house to new standards and creating an asset for Government of India while conducting residential program in future.

Best Wishes

Yours sincerely,

Parameswaran Iyer

I would like to take this opportunity to share my appreciation over the work carried out by Shri Manohar Lal EE(C), Shri Dilip Mewara AE(C) under the guidance of Shri Purnesh Kumar SE-Cum-PD in renovating SCBA Bar Lounge at Supreme Court of India. The diligent efforts, consistent supervision and unparalleled dedication of these officers were instrumental in timely completion of work.

I, on behalf of the Supreme Court Bar Association would like to place on record our profound gratitude towards the CPWD team and wish them all the best in their future endeavours.

Yours sincerely,

VIKAS SINGH

Dear Sir

1. I would like to place on record my appreciation for the excellent cooperation, support and work services during the maintenance / repair services of Head Quarter of Military Operation, Ministry of Defence, South Block. The work has been carried out in very short span of time alongwith speed and quality execution by the CPWD team. I would like to thank Sh. Anand Suryavanshi, EE (Civil) for the guidance in B & M works and his motivated & inspirational officers Sh. Suresh Chand Sharma, AE (Civil), Sh. Manish Kumar Laduna, JE (Civil).

2. The above mentioned officials of your good office have been very positive and willing to undertake any unforeseen task at any given time even during odd working hours. Not only this, these officers understand the peculiarities and paucity of time for work execution in the VIP area.

3. I wish them success in their endeavours and pray that Almighty may bless them success in their career.

With warm regards

Yours Sincerely,
