It has come to the notice of this unit while investigating one of the cases that bills of contractors are not finalised even after a period of about seven years. Though written instructions in this regard are available as per Clause 9 of General conditions of Contract for CPWD works. Further para 30.2(1) of CPWD Works Manual-2012 reads as "*Final measurements should be recorded within one month of the completion of work. Final payments for works costing more than Rs.15 lakhs should be made within 6 months of the completion of work, and for other works within 3 months.*" The time schedule for payment of bills is also given in the table of para 30.3 of CPWD Works Manual-2012.

Senior supervisory officers i.e. SEs, CEs and ADGs are requested to look into such cases in their jurisdiction to ensure timely payment of final bills.

This issues with the approval of the DG, CPWD.
