Dated: 13th October, 2014

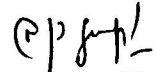

DG/VIG-11

While investigating a complaint in this unit, it has been observed that rules regarding issue of TDS certificate in Form No. 16A and rules in respect of issue of certificate of deduction of the amount towards payment of tax on works contract in Form No. 18 to be issued to the contractors have not been properly followed in a CPWD division office.

As per provisions of relevant rules of Income Tax Act, TDs certificate in Form 16A in respect of any payment has to be issued quarterly. Similarly, as per provisions of relevant Value Added Tax Rules applicable for each State, the certificate of deduction of the amount towards payment of tax on works contract in Form No. 18 is to be issued within a stipulated time from the date of deposit of the tax. It is observed that proper & timely action was not taken by the officials responsible for issue of the above certificates to the agency and the certificates have been issued much after the stipulated dates. Besides violation of the rules, the concerned agency was put to undue inconvenience and harassment by this act of the officials.

Therefore, it is enjoined upon all concerned officials to ensure that above certificates are henceforth issued and properly delivered to the agencies within the stipulated time.

This issues with the approval of DG, CPWD.
