D.O. No. 6/CVO/Int./2016

Dear

DoPT vide their D.O. letter No. 321/17/2011-AVD dated 1st February, 2016 has remarked that the pendency levels in cases relating to pending decisions over 6 months after CVC's 1st stage advice, pending decisions over 6 months after CVC's 2nd stage advice, pending major penalty proceedings for more than one year and cases pending with IO for more than 6 months are still high. Infact, the pendency level w.r.t. cases pending with IO's for more than 6 months has increased. As you are aware, such cases are required to be reviewed every month by the Ministry so as to finalize them in a time bound manner.

Therefore, you are requested to monitor and review the pending cases regularly on a monthly basis so as to ensure that the disposal of the pending cases are expedited in time bound manner. Your personal commitment and interventions can only make this happen and speed up the disposal process.

Yours

(M.R. KRISHNA)
