OFFICE MEMORANDUM

Dated 10th March, 2016

While investigating a case, it was found that date of retirement of one of the suspect officer was mentioned incorrect as well as his name was wrongly spelt in the investigation report. Same was detected at a later stage which led to protracted correspondences with CVC and MoUD for revision of 1st stage CVC advice.

In view of the same, as a Corrective and Preventive measure, MoUD has advised Investigating Officers and the officials dealing with such reports that they may indicate the Date of Birth and Date of Retirement along with PIMS data sheet in IR and same may also be placed in file in respect of each Suspect Public/Government Servant. In case of doubt/incomplete data, the information may be collated from the service book/other service records being maintained manually and their copies may be attached.

All concerned are hereby directed to follow the aforesaid instruction of MoUD.

This issues with the approval of CVO, CPWD.
