

No. 10/V-32/Misc. Complaints/2016-VS.I (Vol.II)
Government of India

Office of JS & CVO
Vigilance Unit, CPWD
Nirman Bhawan, New Delhi-110011

Dated 13 January 2017

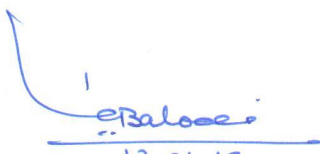

Sub:- Regarding inviting tenders from the firm registered in composite category and registered / annually pre-qualified in lift operation category.

On scrutiny of a complaint, it is observed that the tenders for RMO of specialised E&M services like DG Set, sub-station, HVAC, firefighting and fire alarm system have been invited along with other specialised E&M services like operation of lifts etc. from the contractors registered in CPWD both in composite category as well as Annually pre-qualified in other specialised E&M services, thereby restricting the competition and inviting avoidable complaints. In this regard it is advised that guidelines as enumerated in CSQ, CPWD letter No. CSQ/CM/16(1)/2016/400 dated 01.08.2016, reproduced below, shall be followed for better participation of contractors for other specialized E&M services:

"If package involves other specialized E&M Services apart from E&M services like DG Set, Sub-station, HVAC, Fire Alarm and Fire fighting, then there are two option:-

- 1. The tenders may be invited from contractors of appropriate class in composite category, if the value of other specialized E&M services is not considered in comparison to combined value of E&M services like DG Set, Sub-station, HVAC, Fire Alarm and Fire fighting, prescribing the execution of other specialized E&M Services through specialized agency of the particular E&M Service.*
- 2. Separate tenders may be invited for each specialized E&M Services, if the value of these specialized E&M services is considerable in comparison to combined value of E&M services like DG Set, Sub-station, HVAC, Fire Alarm and Fire fighting, the procedure described in para 16.5 (7) (i) of CPWD Works Manual 2014 may be followed".*

This issues with the approval of DG, CPWD.
