PWD, Govt. of NCT of Delhi
12th Floor, MSO Building,
IP Estate, New Delhi-110002

Sub: Regarding systemic improvement (systemic improvement No.4/2018).

During investigation of a case it is observed that:

- (1) The officers posted in planning units as well as field units are not well aware with the up to date circulars issued by the CSQ unit of CPWD regarding modifications of clauses of GCC and manual provisions. This resulted ambiguity in NIT and also over payment to the contractor. Thus, the planning units as well as field units under PWD, GNCTD may please be instructed to go through the up to date circulars issued time to time by CSQ Unit of CPWD and be careful while preparing NIT and making payment to the contractors.
- (2) It is also observed that the escalation clauses of GCC i.e. 10C & 10CA or 10CA & 10CC as applicable are not being operated by field units while making payment of running A/C Bill and even in some cases in final bill also, specifically when there is recovery on a/c of escalation. Thus, it is also advised that necessary instruction may be issued to all field units under PWD, GNCTD to incorporate following para in the Check List of R/A Bill and Final Bill to ensure the recovery on account of escalation.

"Whether escalation under clause 10C & 10CA or 10CA & 10CC as applicable as per schedule "F" of NIT is operated -Yes/No."

This issues with the approval of CVO, CPWD.
