Dated 29 March 2019

To

The Chief Engineer (CSQ) (E),
CPWD, Nirman Bhawan,
New Delhi-110 011.

Sub:- Clarity regarding Normal Division and Maintenance Division dealing with furnished accommodation in the financial power delegated under S.No.35 (i) and 35 (ii) of Appendix-I of CPWD Works Manual 2014.

(Systemic Improvement Recommendations No. 02/2019).

Sir,

During investigation of matter regarding exceeding the delegated financial ceiling during issue of Supply Orders by AEs and EE, it was noticed that some of the divisions who are maintaining guest houses, hostels etc. with furnished accommodation were using the financial power (annual ceiling) delegated under S.No.35 (i) and 35 (ii) of Appendix-I of CPWD Works Manual as Maintenance Division dealing with furnished accommodation, whereas other jurisdictions of the division comes under Normal Division. There is no clarity in the Works Manual regarding the financial powers delegated to Normal Division and Maintenance Division with furnished accommodation.

In order to have clarity and avoid mis-interpretation, clear definition of Normal Division and Maintenance Division dealing with furnished accommodation may be issued. A copy of the same may please be endorsed to this unit for record.

This issues with the approval of JS & CVO, CPWD.

Yours faithfully,

(V.S. Chauhan)
Executive Engineer (Vig.) 32
