

No.21/9/2011-VSI  
Government of India  
Directorate General  
Central Public Works Department  
(Vigilance Unit)  
Nirman Bhavan, New Delhi

Dated 9th April, 2012

CIRCULAR

While giving their comments on the report of CPWD in one of the cases, the Central Vigilance Commission has observed that the common yet blatantly incorrect practice of deviation or extra/substituted items in certain works like repairs, maintenance, for which ex-post facto approval are granted by following the tenders on papers only should be stopped. Usually such "Works" are carried out at the behest of senior functionaries whose offices/houses are to be renovated. CPWD should, therefore, undertake systemic improvement in procedure relating to "Extra, substituted and deviated items of work" in order to put a stop to such practice.

All concerned are advised to act accordingly.

(Nikhilesh Jha)  
JS&CVO, CPWD
