Office Memorandum

Sub:- Examination of works by the CTE's Organisation
Raising the monetary limit for reporting the
works in progress to the CTE.

Ref:- Commission's O.M.No. 98-VGL-25 dated 20-10-98.
.....

In partial modification of office memorandum
of even number, dated 20-10-98, para.2 may be read
as follows:

"2. In view of the rise in the cost indices for construction
of buildings and the related materials, the Commission has
been considering to raise the monetary limit of the works
to be reported by the Organisation to the CTEs. It has been
decided that henceforth all the Organisations may include
only those works in the return to be submitted to the CTE's
Organisation whose accepted/tender value exceeds Rs. 1 crore
for Civil works, Rs.15 lacs for Electrical works
Rs. 2 lacs for Horticulture works. The works whose accepted/
tendered value is less than these limits need not be
included in the returns. However, those Organisations
who are undertaking such works but the monetary value of
all such works is less than the fresh limits prescribed
above may report two largest works in progress in each
discipline (i.e. Civil, Electrical and Horticulture)."
