ISSUED BY AUTHORITY OF DIRECTOR GENERAL OF WORKS

NIRMAN BHAWAN, NEW DELHI

Sub: Delay in submission of application for revalidation of contractors

The revalidation of enlistment of contractors is being done for a period of five years from the date of expiry of the enlistment and the contractor is required to apply for revalidation six months in advance of the expiry of enlistment. However, in cases, where the contractor does not apply before the date of expiry of enlistment, he is advised to seek fresh enlistment, as per guidelines issued vide DG(W) OM No. DGW/CON/122 dated 18.5.1998.

It has now been decided by the DG(W), CPWD that the application for revalidation may be accepted upto three months after the date of expiry of enlistment, if the contractor deposits the late fee as given below :

- | | |
|-----------------------------------|--------------|
| i) For class - I contractors | Rs. 10,000/- |
| ii) For Class II to V contractors | Rs. 5,000/- |

Further, as a one-time relaxation, it has been decided that for the contractors whose enlistment has expired between 30.1.2000 and date of issue of this letter, their application for revalidation may be accepted, if the contractor submits the application for revalidation along-with the above late fee within three months of date of issue of this OM.

The late fee is to be deposited through an A/c payee Demand Draft drawn on a Scheduled Bank in favour of the Chief Engineer (CSQ), New Delhi for cases where enlisting authority is DG(W) or ADG(TD) (except in cases of Class II (Elec) contractors). For other cases, the Enlisting Authorities may issue necessary instructions, for the purpose.
