OFFICE MEMORANDUM

Reference is invited to clause 11 of the General Conditions of contract for C.P.W.D. works wherein it is mentioned that the contract shall conform exactly, fully and faithfully to the design, drawings and instructions in writing in respect of work signed by the Engineer - in - Charge and the contractor shall be furnished free of charge one copy of contract documents together with specifications, designs, drawings and instructions as are not included in the standard specifications of CPWD specified in Schedule 'F' or in any other published standard or code or, Schedule of Rates of any other printed publication referred to elsewhere in the contract.

Instances have come to the notice of this Directorate where drawings and designs are not issued to contractors in time or site is not handed over to them in time which result in delay in execution of works and the contractors claim huge sums of money in arbitration. It is, therefore, enjoined upon all concerned that the drawings, designs and specifications and sites for works are given to contractors well in time to avoid arbitration cases on this account and consequent loss to Government.
